01 / INTRODUCTION

Who We Are

Najah Al-Omran is a Saudi company established in 2018, specializing in the supply of construction materials, infrastructure solutions, and civil works. We provide high-quality products — including concrete blocks, kerbstones, interlock, cement tiles, precast concrete, basalt, and mosaic products — through a trusted network of approved manufacturers.

With a highly experienced team and a strong commitment to quality, safety, and timely delivery, we serve both government and private sector projects across the Kingdom. Our goal is to provide reliable, cost-effective solutions while building long-term partnerships based on trust, professionalism, and customer satisfaction.
